

Environment Policy

OUR COMMITMENT

NAS Corporation Limited is committed to managing its operations such that it complies with all relevant environmental legislation and standards in the area within which it operates / works. This requires the commitment of everyone working at the Company to pursue their activities safely, protecting our health and preserving the environment.

OUR RESPONSIBILITY

The environmental policy applies to all operations including management, offices services, printing, delivery and procurement. The Companies Directors are responsible for ensuring that the policy is implemented and monitored periodically.

OUR OBJECTIVES

The Company will identify and control those elements of our operation that impact on the environment. In line with sound business practice it will:

- 🌐 Establish and review periodically our environmental goals through a program of continual improvement.
- 🌐 Comply with legal requirements pertinent to our industry and with requirements of other initiatives we enter into in accordance with our commitment to offer quality products and services.
- 🌐 Minimise pollution and consumption of fuel, energy and water.
- 🌐 Reduce and dispose of waste with minimal environmental impact.
- 🌐 Recycle all products where ever possible.
- 🌐 Actively encourage customers and suppliers to support the Company's environmental objectives.
- 🌐 Provide environmental awareness training for all employees and job specific training on environmental issues where required.
